The Club Experience

Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

The Need in Our State

Every day 124,000 kids in New Mexico leave school with nowhere to go.¹ They risk being unsupervised, unguided and unsafe.

“My Club saved Me! Here I found unconditional support in my times of trouble.”

Laine Spurlock

Southwest Youth of the Year

Laine has been a member of the Club for the past twelve years. She credits the Club with inspiring her to continue to attend school when she wanted to drop out early in her high school career. She recently graduated with honors from Rio Rancho High School. She has been accepted to CNM and UNM and has begun classes to earn her degree to become a forensic pathologist. At the Club Laine serves as a staff member and was the Keystone Club President, which is a club dedicated to community service. During quarantine Laine spear headed a Keystone project where she sewed and donated masks to health care workers. She is passionate about Mental Health and is working hard to ensure all youth have adequate access to Mental Health resources.
